

Information on Spengler Logo:

The two pdf files below contain professionally made logos for integration into layout programmes, image processing software etc.

Spengler_black.pdf

Spengler_white.pdf

The grey background is not part of the logo but has only been added for reasons of visibility.

The white logo should only be used against dark backgrounds.

Colour values:

Red: HKS 14

or

Cmyk: 0C-100M-100Y-0K
